

THE 1960

Pep Pac

A handwritten letter on lined paper. The text is a mix of cursive and printed words, with some words underlined. The letter discusses a recent trip to Oxford, the Lake District, and the Forest of Dean, mentioning the weather and the cost of travel. It concludes with a warning about the cost of living in London and a request for a letter from a friend. A sketch of a landscape with a large hill and a winding path is drawn at the bottom right.

But The Melody Lingers On"

Foreword

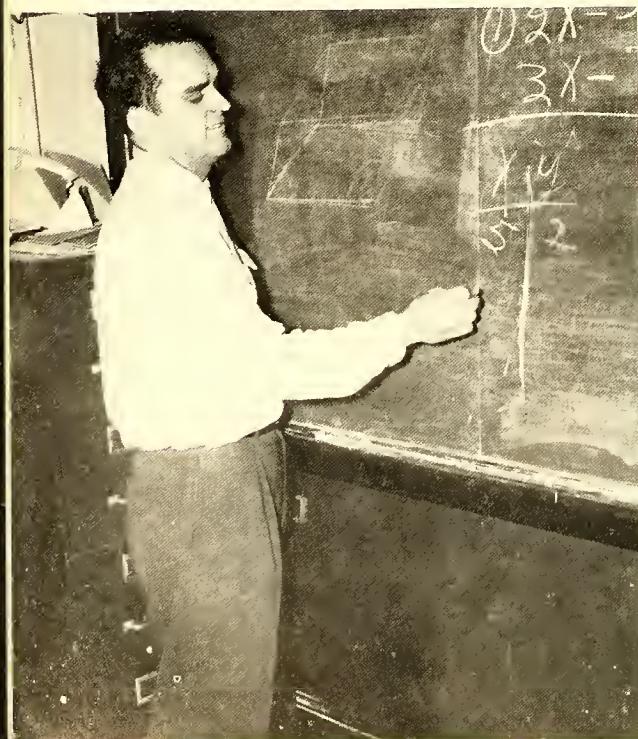

Just as a beautiful song must end, this school year must end also. The melody of a beautiful song lingers on after the song has ended, and the melody of this school year, the things we have learned and the memories we hold dear, will linger on through all the years to come.

This year will soon be a part of our past. We cannot hold on to it, for we look toward the future. The staff with the theme, "The Song Has Ended . . . But the Melody Lingers On", has endeavored to capture the highlights of this year so that when we remember it, the sweet melody will still remain.

Dedication...

To know Coach Stephenson is to love, honor, and respect him. His algebra students can remember how patient coach has been when they just could not understand an algebra problem. The boys on the football team will remember his tireless efforts and praise for a job well done. Many of us have taken our problems to coach and he has always been willing to listen to us and advise us. He has made the day seem brighter with his friendly smile and warm "Hello".

These are but a few of the many reasons we have chosen to honor you, Coach. When we remember our high school days "To Be Sure" you will be in our fondest memories.

Yes, because of you, our wonderful administrators and teachers, many things have been made possible during this school year. Looking Back

"We'll Be Seeing You"

As all good things must come to an end, so must our days at Henderson High School. These past four years hold a treasure of memories -- memories which can never be forgotten. The melodies still linger from -- the Land of Dreams, Homecomings, football games, basketball games, sock hops, fashion shows, School Spirit Weeks, and the multitude of conventions. Just remember, when we leave this school and go our separate ways, "We'll Be Seeing You", and we'll carry this melody with us in our hearts.

As I worked, I became so interested in my findings that I completely overlooked the time. Suddenly realizing that I was an hour overdue, I rushed back to the office where I was informed that since I had missed my deadline, I would have the honor of being the sole passenger from Earth to the Moon.

Immediately I was taken to the launching platform where I was strapped into the rocket. Although my protest were in vain, I had a very successful trip. I am looking forward to a return visit with other people as fortunate as I, so that I may introduce them to my many Moon friends.

Senior Poem

A Minor History by Dee Tillery

WE BEGIN

181 jolly freshmen clomped up Henderson High School's stone steps in 1955.
Our first outing was the Latin Banquet.
We sang, fought, danced and passed finger bowls.
We paid our class dues: \$1.25 . . .
Began the first of our 36 book reports . . .
And began to walk on the right hand side of the halls.

WE CONTINUE

142 self-confident sophomores tromped into the classrooms in 1956 . . .
Alex Edmonds rode around the town on the night of the Junior-Senior
Yelling, "The Redcoats are coming! Make haste! The Redcoats are coming!"

WE GROW

Miss Wilkin enlightened 131 juniors on the perils of playing the stock market . . .
She introduced into her classes the use of small 3 x 5 cards;
We wrote a 2,000 word term paper.
As a result:
Each of us has a "corn" on his index finger;
Thus, we leave better prepared to face Big World.
We built our own "Land of Dreams" . . .
Danced under a blue sky - - and 800 toothpick stars,
Which Clora Wilkerson made.

WE PLAN AHEAD

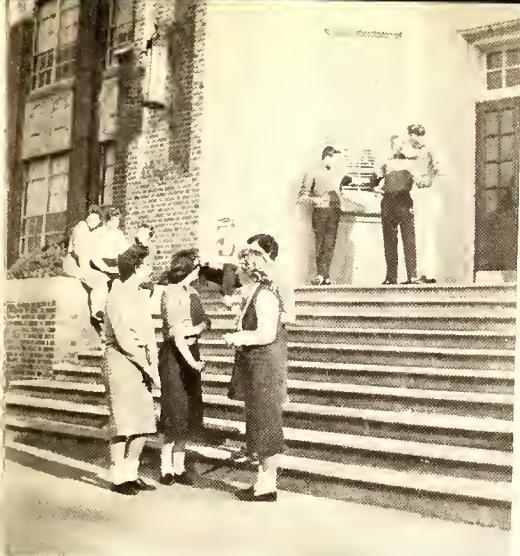

111 seniors began to apply for jobs . . .
Join the Navy . . .
Send off college applications . . .
Write 150 word essays on "My Philosophy of Life" and
"Why I Think Boondocks is the Best College in America" . . .
And Wait for an answer.

WE COME TO THE END

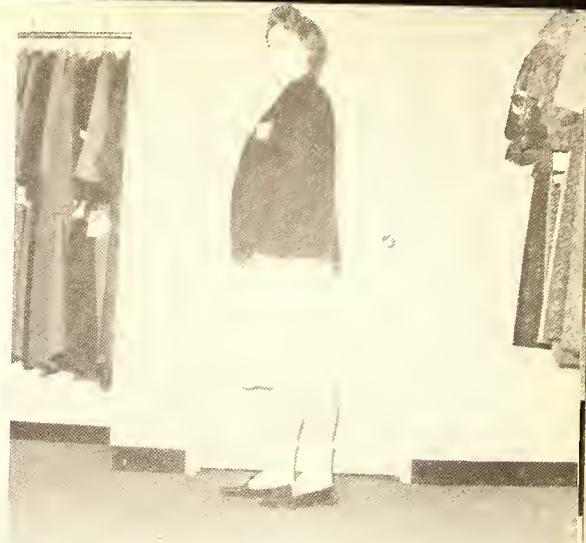

We give our thanks to the faculty,
Those men and women who have stood and understood us.

And I give no advice except:
Hold your head up high - -
But keep your nose on a friendly level.

Now we don our caps and gowns,
And march . . .
"Out of the life of school,
Into the school of life."

"It's Almost Tomorrow"

"Oh, gosh, our Junior year is almost over," one might overhear a Junior say. "Where has it all gone?" This year has been such a busy one, Juniors, that you did not have time to notice how fast the year was slipping by. Early in the year you began making plans for the Junior Senior and you were rewarded for your months of labor when "the" night finally arrived. You can feel proud for Mr. and Miss H.H.S. as well as many of our outstanding athletes are members of your class. This year holds many memories for each of you. But now, Juniors, "It's Almost Tomorrow" and tomorrow you will be seniors, the leaders, the oldest and wisest.

We've Got The World On a String

What could be better to describe the Sophomore class than the words of the song We've Got the World on a String! The Sophomore year is a year of many things. It is the year when one is too dignified to push in the halls, but still throws snowballs at girls in January. Which one of you in Latin II will ever forget Ceasar and his Gallic Wars? In the spring a select number of you will be chosen to serve as waiters and waitresses at the Junior Senior. The ability and talent in your class were displayed in the presentation of the Latin Club Banquet and again at Stunt Night. We have seen your willingness to work for you sponsored a basketball game to make money. Yes, Sophomores, you have proved yourselves worthy of an honored place at Henderson High School.

If you're "YOUNG AT HEART".

You, Freshmen, are the young at heart. Only the first of four wonderful years is behind you. At the beginning of the year you were a bit lost, but you quickly found your place and you filled it. You were good sports through all the many initiations and you have willingly participated in various activities. This year was a good one for you, but each year will be a little better than the last. Make the best of your next three years for they will hold memories which will linger with you long after your high school days are over.

Every organization, whether it be the entire student body, or a single club, must have a leader; and its success, to a large extent, depends on the quality of these leaders. Leading a group of people successfully requires many things--patience, skill, originality, and determination. Because we feel that all of these traits are characteristic of our leaders, we salute them. Although this year is ending, the guidance and help of these people will linger on in our lives for many years to come.

Student Council

The Student Council is the most important organization in the entire school in that it acts as its governing body. It is comprised of its officers and two representatives elected by popular vote from each homeroom.

Many impressive projects were carried out by the student council this year. Among them are College and Career Day, Sadie Hawkins Week, Homecoming, School Spirit Week, and Religious Emphasis Week. Aside from its numerous duties, the Student Council always has as its goal to instill in the minds of the entire student body a feeling of pride and loyalty to the school.

As the name implies, it is considered a great honor to be a member of this organization. The members are selected by the faculty each year at the beginning of the second semester, and cannot exceed five per cent of the Sophomore Class, ten per cent of the Junior Class and fifteen per cent of the Senior Class. Members are selected on the basis of Character, Service, Leadership and Scholarship.

Many worthwhile projects are undertaken by the club each year. This year they sponsored, among other things, a workshop on parliamentary procedure for the officers of all of the organizations in the school, and International Day for the entire student body.

They have as their primary objectives to develop initiative and leadership to guide its members along the road to adulthood, and furnish an opportunity for practical experience that will help its members to find their places in life.

The accomplishments of this club are many and varied. Not only have they offered valuable service to the community but they have done so much for the High School that they received the Finer Henderson High School Award for several years.

"We'll Win The Victory And The Right..

Yes, throughout this past year our fine athletic teams have won "the victory and the right" for H.H.S. Not only did they excel in their athletic abilities, but they played each and every game according to the strictest standards of sportsmanship. In the years to come, we shall always remember the hard-fought games on muddy football fields, the last minute basket that won the game, the home-run in the ninth inning. But we shall also remember the fine people who participated in these sports, and remember that we were equally proud of them in Victory and Defeat.

We were extremely fortunate to have back with us this year our entire coaching staff of last year. All three of them have come to hold an important position not only in the school, but in the hearts of the students.

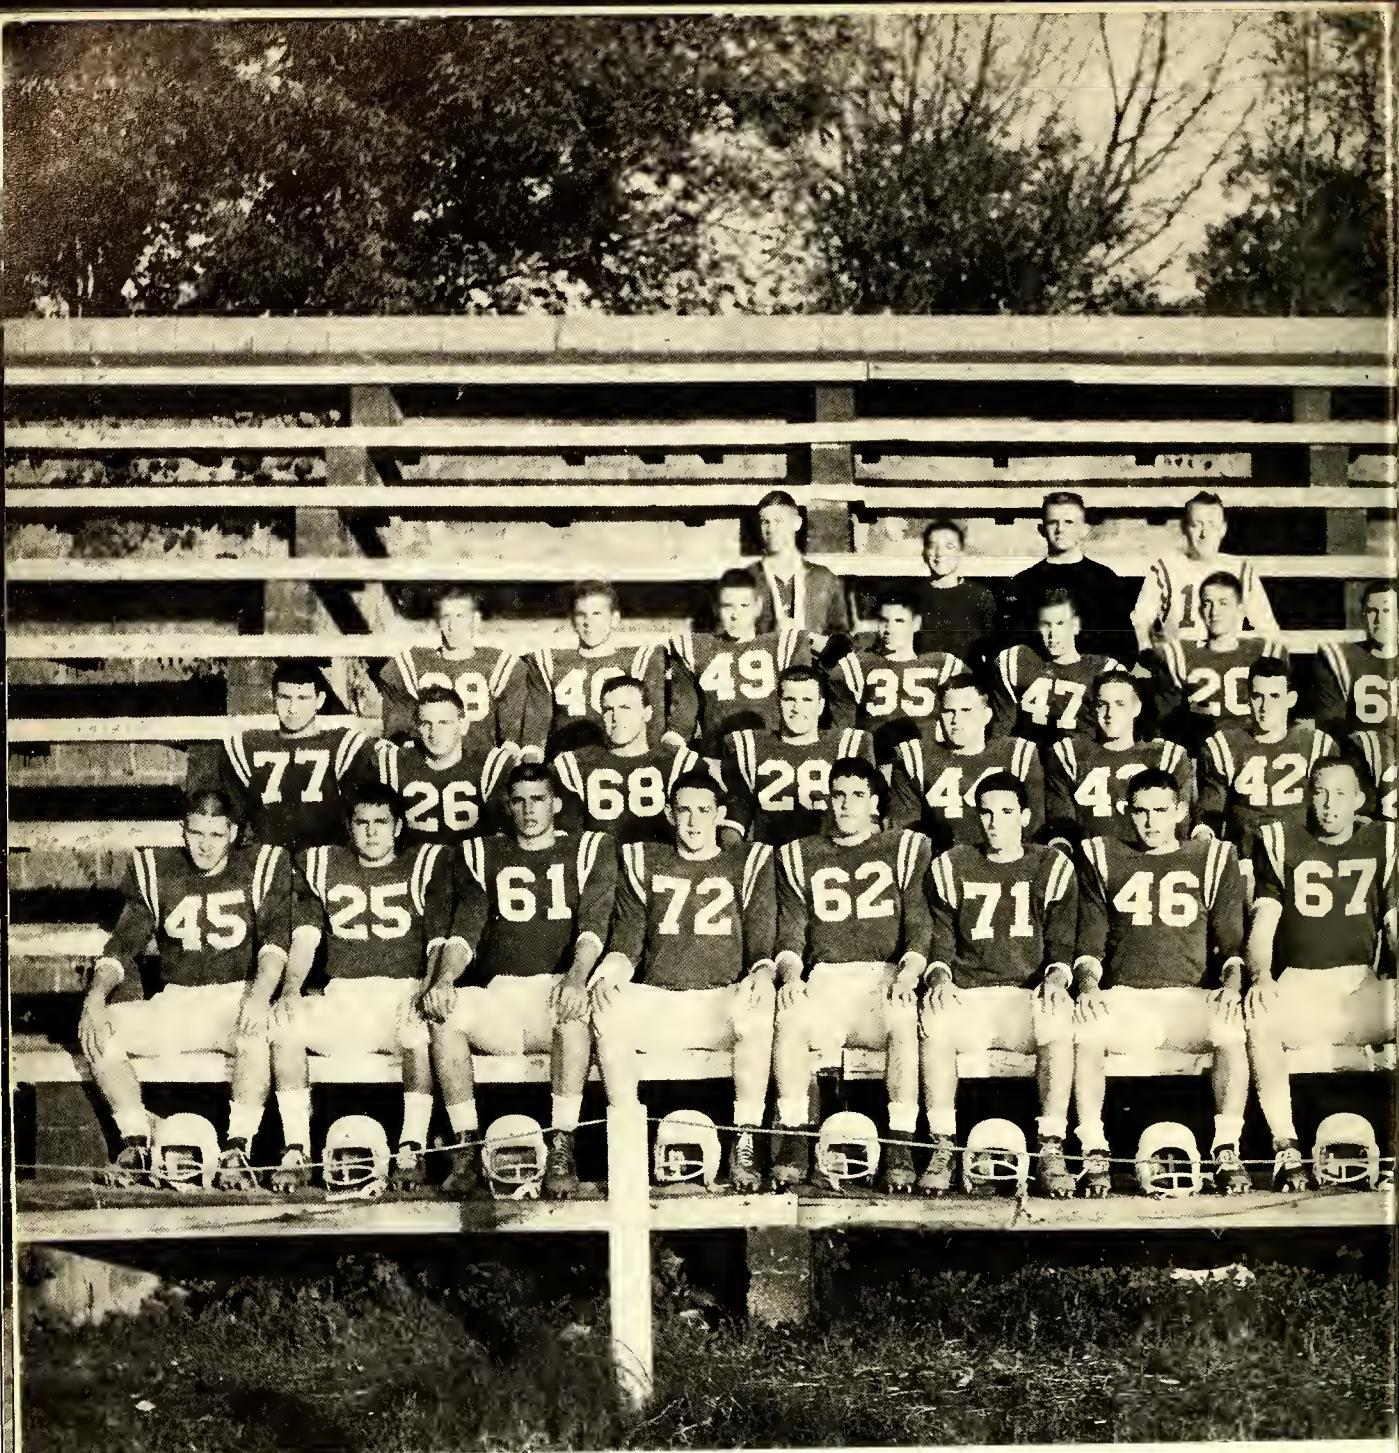

Director of Athletics, Coach Emil S. Piestrak, returned for his sixth year. Although he was originally a Yankee, we feel that he has become "one of us" since he graduated from East Carolina College with a Master's Degree in Physical Education. Mr. Piestrak serves in the capacity of head basketball and baseball coach and as assistant football coach.

Coaching Staff

Coach Wade Stephenson, who incidentally is a native of the South, returned again to H. H. S., where he is head football, freshman basketball and track coach. Coach is a graduate of Angier High School, and Atlantic Christian College.

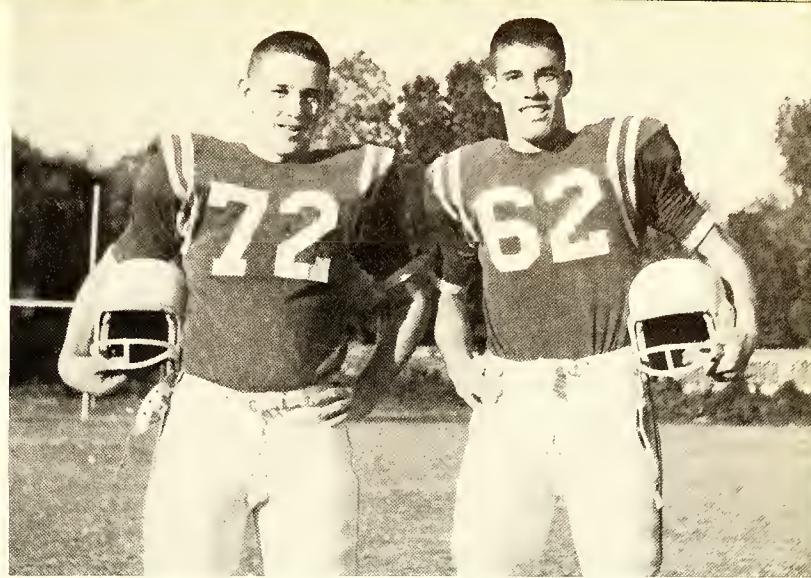

Coach Ted Rollins must have liked us, for he returned for his second year. He attended Selma High School and Wake Forest College, where he blazed a brilliant football career. His duties, other than being the best looking male at H. H. S., include assistant football coach, and coach of the tennis, golf, and junior varsity basketball teams.

"Moments to Remember"

The days of this school year were liberally sprinkled with "Moments to Remember." There were exciting moments--when Judy was crowned Homecoming Queen--the final minutes of a ballgame. Thrilling moments--the Junior-Senior--the Band Concerts--the Homecoming Parade. Amusing moments--Sadie Hawkins Week--the Student-Faculty Game. And Inspiring moments--College Career Day--Youth Week--International Day.

These, and so many more moments have combined to make this a most glorious year. And although we sadly realize that it is over, for the rest of our lives we shall have these "Moments to Remember."

In Memoriam

"To Live in Hearts We Leave Behind Is Not to Die"

We could not complete our year book without remembering Barbara Johnson, One who will always be in our fondest memories. We remember her for her cheerful and unselfish attitude toward her friends and teachers. Barbara possessed a brightness of spirit, and a wealth of kindness that will always be missed by those who knew her here.

Had she remained with us, Barbara would have been a member of the graduating class.

Congratulations

Ruth, this is my first
letter of the day to you.
I'm enjoying the time
you have and I want to thank
you for the good book you
gave me this week. And if
you are a nice, kind girl
I hope you are having a
good summer and working
and I'm hoping to see you
this summer in Raboburg
for the trip to America.

Ruth, I hope you are having
a happy day. I hope they
are again. I hope you
had a good
time for a while
this time. Good

Thanks for the

Ruth, this is my second
letter of the day to you.
I'm almost over. I think it's
a good time to work
so I'm going to have to
work hard. But it's
not a bad day. I'm
going to be home
again. I hope you
have a good day.

Dear Ruth,

Autographs

Well, the year is almost over and we're
nearly back at Bluff, back to me. I guess we'll
all remember these few more than the rest because
we've had so much fun as Juniors. We've
got our class rings, had a hall decorating
for our "Fayenne," and look to forward
to many times. It seems impossible that we
will be big Juniors in 1910. Because it's
seems like only yesterday when we were
little "mousies" going up to the hair
dresser. Good luck to you in the future
and may you have the best of luck in the world
to come.

Beeth;

I really have enjoyed
being in classes with you
this year. I must say, we
did have loads of fun in
History and geometry.
I guess this year will
be remembered by all the
juniors because we received
our class rings, had the first
Jr.-Sr. Prom, and so many
other things. May your
senior year at "dear old" H. I.
be as full as this year. May
the best always come your
way.
